

BUSINESS PROFILE

VERSION 1.0

This document contains a Business and an Adviser profile. The business profile provides information about the business your adviser works for. The adviser profile provides information about your adviser - their contact details, qualifications, experience, and any memberships they may hold. It also outlines the strategies and products your adviser can provide advice on.

These profiles are part of the Financial Services Guide (FSG) and are only complete when they are provided together.

WHY WORK WITH US?

We provide personalised and responsible advice suited to your objectives and believe that sound advice and planning is the key to improving your financial position.

We undertake extensive continuous professional development and training programs so that I am up to date with legislative changes to superannuation, investments, social security and tax environments.

We have access to technical, risk and independent investment research professionals who provide me with additional analysis on strategies and products that become available as a result of these changes. I will help you prioritise your life and financial goals and weigh up different strategies to achieve them. Most importantly, I turn your goals into action. There are no secret formulas to achieving financial security. I work with you to ensure you have a plan to achieve your goals whatever they are over time.

We can provide you with strategic advice as well as arrange the types of financial products listed below. I can help you to identify the types of services and products that will be appropriate to meet your financial goals. In addition, you can choose whether to receive advice about a range of needs all at once, or we can provide advice about a single issue, so your most important goals are achieved first. Further advice can then be provided over time about any other needs or goals as required.
